

## **Aero Plating Inc. Credit and Payment Terms Policy**

### **PURPOSE**

We encourage our customers to complete an application for credit with Aero Plating Inc. This will improve handover once an order is completed and reduce our internal transaction costs.

**In order to be considered for credit, the customer must complete, sign, and return a credit application.**

All orders will be on a COD basis until your credit application has been processed and approved. Aero Plating Inc. will process your received application within 10 business days. You can request status of your credit application with our accounting department.

Aero Plating Inc. standard payment terms are Net30 days from the date of the invoice. Aero Plating Inc. does not offer early payments or discounts. All accounts over 35 days beyond the Net30 terms are subject to the terms and conditions of sale and loss of credit and Net terms.

Aero Plating Inc. is able to support credit card transactions for Visa and MasterCard; a convenience fee (3% of transaction value) will be added to the cost of the invoice at the time of processing the payment.
